The fees for each sport are determined yearly and are subject to change.

Parents with children playing football, volleyball, and/or basketball are required to help work the concession stand during the season.

If a specific grade level does not have enough kids to fill a roster, your child may be asked to play on another parochial league school's team.

#### **Parochial Rules**

For children who play sports in 3<sup>rd</sup> through 8<sup>th</sup> grade, the Parochial Rules apply. Students must be passing all of their academic subjects each week in order to participate in extracurricular activities. An athletic ineligibility list will be presented to the office by Tuesday morning of each week. A copy of students ineligible will be furnished to the appropriate parents and coaches. If an ineligible student plays in an athletic contest, the team will forfeit the game. Academic ineligibility runs from Tuesday to Monday, and each week is a new week. Students will receive a warning the first week, giving them an opportunity to correct the deficit. If the problem has not been corrected by the second week, the student will be ineligible to play. Ineligibility forms and warnings must be signed by the parent and returned to the principal the following day. *If a student receives 3 consecutive ineligibility notices, that student will be dropped from the team roster.*
